Direct honorable request to ALL COMLEC, Duterte, PRESS, and world.

**EVOTE.one** is the worlds first and last voting methodology that prevents ALL political corruption by empowering all 7.5 billion people to electronically vote for all their leadership and then control and manage the decisions that affect their communities and nations.

**URLiDent.com** is the worlds first and last OPEN PUBLIC Referential Database that is WRITE ONCE, READ PUBLIC enable Face Recognition and other bio-metrics to UNIFY all of mankind by recording all votes, decisions, Laws, proposed legislation, and even PUBLIC Freedom of Information documents. in ONE PLACE.

Each of you are now International HEROES for simple doing the REQUIRED FOLLOW-UP based on the contents of this ONE EMAIL and the OTHER irrefutable evidence showcased to entire world. This email is published also to our world.

I come TO your COMLEC offices today, Friday Aug 4, for the THIRD historical time as I have already been to Palace, House of Reps, IM, NBI, DOE, PEZA, +20 ASEAN events, GLOBALPeace.org, and personally visited well over 15 of your prime TV, RADIO, and Newspapers over just the last 2 historical years ON THE SAME

WORLD CHANGING MISSIONS of mercy and grace for our entire world.

The #1 excuse I get from almost everyone, including so many top leaders of our churches is : WE ARE TOO BUSY. WE have no time for meetings, WE have no interest in changing anything because 'we get paid for growing our organization', and WE already have laws, checks and balances, and anti-fraud groups who spend MILLIONS of man hours and BILLIONS of \$\$\$\$/PESO to prevent any election fraud.

Your infamous Cyber crime breach on 27 March 2016 would NEVER have occurred. and all other election fraud crimes will now be STOPPED at the point of crime transaction with methods such as SolutionBankFraud.com and video/photo/audio identification.

AND we have Congressional Hearings, Impeachments, and Ombudsman to prevent any and all fraud from occurring. TOO LATE. TRILLIONS of \$\$\$ of are lost to FRAUD worldwide based on underground criminal networks that are already INSIDE (infiltrated) your departments and electronic Databases. This showcased to world with

older PCTerror.com and ClearCollarCrime.com

**I will arrive today (Intramural) around 1 PM to FINALLY meet your top COMLEC officials. Anyone can call the PRESS MEDIA, PUBLIC, and other top officials to CONFIRM these are the ONLY systematic methods to forever RID our world of all CRIME.**

As my most direct and powerful testimony to DUTERTE Back on Jan 24, 2017 per RE1713215 ApptRecordsOffice TAG History , Duterte will be OUTRAGED that absolutely NONE of well over 200 top Philippine officials have actually asked ANY logic and/or criminal question or been able to explain WHY corruption is killing our world.

I refrain from COPYING this historical WEBSITE contents HERE because most email servers TRASH any emails that have any attachments or embedded LINKS.

Another cyber crime prevention solution already SOLVED by Keith Duncan
